Ex Parte Notice

Dear Ms. Dortch:

On Monday, August 8, 2005, James Goldstein and Michael Degitz of Nextel Communications, Inc. ("Nextel") and I met with Bruce Franca, Geraldine Matise, Jamison Prime, and Priya Shrinivasan of the Office of Engineering and Technology. We discussed the procedures and obligations for relocating Broadcast Auxiliary Service ("BAS") licensees to the new BAS band plan, as set forth in the Commission's Report and Order released in the above-referenced proceedings on August 6, 2004. Specifically, we discussed the relocation of 2 GHz BAS facilities operated by low power television stations and translator stations under the Report and Order and the Commission's rules and policies.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Charles W. Logan
